

Ark Soane
Academy

Dear Parents,

I was deeply saddened to see allegations of mistreatment of a student at Ark Soane which appeared in the press over the weekend.

I have concluded my investigations into the complaint, including reviewing CCTV footage, and found no evidence that a student was grabbed by a member of staff and have found no evidence of threats, victimisation or persecution.

I am incredibly proud of our community and the support we provide to students of all faiths and none. I am sorry that we were unable to provide our normal prayer facilities due to a school trip on the day in question and will ensure that prayer facilities are, in future, always available for students to use during their recreation time.

Should you wish to discuss this matter further please do not hesitate to contact my assistant, Mugdha Malve, at m.malve@arksoane.org.

Yours sincerely,

Matt Neuberger
